VFS celebrates International Women's day

- Celebration across 101 centers in 10 states
- More than 5000 women borrowers participated in the celebration

Kolkata, 8th March 2019: Saluting the spirit of women, Village Financial Services (VFS) celebrated the "Women's Day" on Friday, 8th March 2019 across 101 centres in ten states.

More than 5000 women borrowers of VFS from rural area enthusiastically attended the programme. On the occasion, VFS felicitated successful entrepreneurs and organized special motivational speech to encourage them to excel in their lives.

Dr. Kuldip Maity, MD & CEO, VFS, said, 'Women Empowerment has always been our top most priority. We understand the need and importance of financial independence for the women in our country and at VFS we currently serve 4.6 Lakh women borrowers, spread over 10 states across India. Also, in order to train them for a better life, throughout the year, VFS organizes special workshops for the women borrower to become a successful entrepreneur. It has been a journey of shared growth as we created many successful entrepreneurs from the poorest of the poor in India and contributed significantly in financial inclusion, job creation and national growth.'
